

Junior Bull and Bronc Riders Association

Some unique individuals, that only had kids and families in mind, organized the JBR in the Winter of 2004. Since that time we have put together rodeos all over Oklahoma by volunteering our time, stock and sometimes our own personal resources. We do this not only because we love the sport of bull and bronc riding, but we also love our kids. We want them to experience the thrill of riding for the required time as well as learning how to graciously accept the agony of defeat. We want them to be able to do this in a fun family atmosphere free of drugs and alcohol. And that's exactly what we do!!!

One of our goals is to teach our kids the proper way to perform various rodeo events correctly and safely. We feel that if the kids learn good sportsmanship and work hard and perform to the best of their abilities in the rodeo arena, it will help them in school and in all other aspects of their lives.

Another goal is to continue to grow and bring other states and Junior Associations into our family. In the past, we have had record breaking participation at our events with as many as 170 – 180 riders. Any and all membership, sponsorship and riding fees go back to the riders and/or members. All our qualified members are guaranteed a buckle at the end of the year as well as added money from the sale of raffle tickets.

Although we all bring our own experiences and support to the table, sometimes that is just not enough. We need to ask our extended families' communities and friends to lend us a hand. This is where you come in. If you want to help us to create a fun family oriented, drug and alcohol free environment for our kids and yours, please look at the sponsorship packets and give as little or as much as you can. Any and everything is appreciated!!

Thank you for your support and consideration.
